

September 5, 2014 STLE Lunch Seminar

Welcome to STLE Houston Chapter's 2014-2015 Lunch Seminar Series!

Our first technical seminar of the season will be held on **FRIDAY**, September 5, 2014, starting at 11 AM at Brady's Landing. Mike Green, Senior Regional Sales Manager for Schneider-Electric will be presenting "*Remote Tank Level Monitoring*". Please reserve the date!

Abstract:

Mike's presentation will address the topic of remote tank level monitoring. During his presentation he will go into detail on how remote tank level monitoring can maximize asset utilization, reduce costs, improve margins, manage inventories, improve customer service, etc. His presentation will benefit anyone looking to learn more on how to improve their lubrication operations in the 21st century. You will not want to miss this information packed presentation to kick off the STLE Houston luncheon series.

Speaker:

Mike Green graduated the University of Texas Arlington in 1992. Mike has held many positions throughout his career focused on tank monitoring systems. From January of 2007 Mike worked at Robertshaw Industrial Products where he managed more than 50 distributors and 28 direct customers. In his position he used his knowledge and expertise to land the AST inventory monitor as the exclusive monitor for 7 fuel distributors in Texas. He now holds the position of Senior Sales Account Executive at Schneider-Electric where he continues to educate on tank monitoring systems.
