

December 9, 2016 STLE Plant Tour

Welcome to STLE Houston Chapter's 2016-2017 Lunch Seminar Series!

Our third technical seminar of the season will be held on **FRIDAY**, December 9, 2016, starting at 11 AM at **Napoli Italian Restaurant** (4450 E. Sam Houston Pkwy S, Pasadena TX). After lunch, we will proceed to **Teadit**, 10545 Red Bluff Road, Pasadena, TX 77507 (about 10 minutes) where Joel Baulch will host us for the plant tour.

Teadit is a manufacturer of a variety of textile, metallic and sealing products, focusing in North America on gaskets, compression mechanical packings (CMP), and expansion joints. They are located in an approximately 100,000 sq. ft. facility in Pasadena, close to Red Bluff Rd. and Bay Area Blvd. The manufacturing group focuses on producing metallic and non-metallic gaskets for standard piping assemblies as well as pressure vessels.

Joel Baulch is the Director - Engineering and Technical Services for Teadit's North American division. He has 20 plus years of manufacturing experience, primarily in the sealing products industry. Acting as the North American link to Teadit's Global R & D group, he has led in the development of their fugitive-emissions product basket from understanding the fundamentals of equipment designed for fugitive-emission service.

Locations:

Napoli Italian Restaurant - 4450 E. Sam Houston Pkwy S, Pasadena TX – Tel: 281-998-2223

Teadit - 10545 Red Bluff Road, Pasadena, TX 77503 Tel - 281-476-3900

Schedule:

11:00AM - 11:30AM: Arrival / Social

11:30AM - 12:45PM: Lunch (**WILL NOT BE BUFFET**)

1:00PM - 2:00PM: Tour

Fees:

Note that you are on your own for whatever you order for lunch; that is not included in the meeting fee below

Meeting Fee: Students \$10, Members \$20, Non-Members \$25

Cash/check only accepted at the door – or **pre-pay** by credit card until early Friday of the meeting using the Paypal link on our [Calendar webpage](#) (cash, checks and charge only at the door)

The STLE Houston Section's Monthly meeting provides a platform to network, advance your knowledge, learn current trends in tribology, lubrication and related industries, share good food, and much more. Come early and network with your lubricant colleagues.
