

# commercial innovation forum

**FRIDAY, APRIL 12, 2019**

**1:30 PM TO 4:30PM**

**HOSTED AT MAGGIANO'S LITTLE ITALY**

**2019 POST OAK BLVD, HOUSTON, TX 77056**

## **THE NEWEST INNOVATIONS IN THE HOUSTON LUBRICANT MARKET!**

Join the STLE Houston Section and some of the most influential lubricant companies in Houston for an afternoon of presentations on the latest and greatest commercial lubricant innovations in the Houston market. Presentations will follow our monthly technical meeting lunch and technical presentation by the current STLE National President, Greg Croce of Chevron Corporation. Presenting companies and their topics are listed to the right. **Attendance is \$1, and you must register in advance!** Photography and/or video recording will not be allowed.

**11-12:30** - Buffet Lunch (must pre-pay \$40) and STLE Update

--- Greg Croce, STLE National President

**1:30-4:30** - 25-minute presentations by 6 different companies

--- Snacks and drinks provided
