

February 14, 2020 Technical Meeting

Welcome to STLE Houston Section's 2019-2020 Lunch Seminar Series!

Our next technical seminar of the season will be held on Friday, February 14, 2020 at Maggiano's Little Italy, starting off with networking at 11 AM. **Jack Schwaller**, Product Manager of Hoerbiger Corporation of America, Inc. will be presenting "*A Novel Approach to Lubricating Reciprocating Compressors*". Please reserve the date!

Abstract:

Jack will detail the operation and lubrication requirements of reciprocating compressors. He will then describe some recent developments in automatic lubrication and monitoring systems targeted toward reciprocating compressors.

Speaker:

Jack Schwaller has been involved with optimization of Reciprocating Compressors for over 40 years. Experience includes most all applications, with most recent focus in the Process market. His current position with Hoerbiger Corporation of America as Product Manager North America demands direct attention to all aspects of Compressor Rod Sealing Assemblies and Piston and Ring designs, as well as Lubrication Systems. Jack is a 1976 graduate of Texas AM University with a Bachelor of Science degree in Industrial Technology. He currently resides in Houston.
