

October 11, 2019 Technical Meeting

Welcome to STLE Houston Chapter's 2019-2020 Lunch Seminar Series!

Our second technical seminar of the season will be held on Friday, October 11, 2019 at Maggiano's Little Italy, starting off with networking at 11 AM. **Anabel Rubio**, Senior Scientist with Huntsman Performance Products, will be presenting "*Aminology in Tribology*". Please reserve the date!

Abstract:

In "Aminology in Tribology", formulators shall be introduced to amines in the lubricants industry, market trends and challenges that are being faced in the selection criteria. A focus will be placed on these products being used in metalworking fluid formulations.

Speaker:

Anabel Rubio is a Senior Scientist with Huntsman Performance Products responsible for the Metalworking market in the Americas. She has been with Huntsman Corporation for over five years and has helped in the development of new products such as their specialty amine line.

She has given three presentations based on her research and collaboration with other scientists at the 2016 National STLE Conference Commercial Marketing Forum, 2018 Philadelphia STLE Chapter Commercial Marketing Forum and the 2018 China Metalworking Fluids Technology Development Summit in Shanghai, China. Anabel graduated Magna Cum Laude with a B.S. degree in Chemistry from the University of St. Thomas. Her undergraduate research focused on synthesizing gold nanoparticles using polyetheramines as reducing agents and ligands.
