

## February 5, 2014 STLE Lunch Seminar

### Welcome to STLE Houston Chapter's 2013-2014 Lunch Seminar Series!

Our fifth technical seminar of the season will be held on Wednesday, February 5, 2014, starting at 11 AM at Brady's Landing. **Paul Goldman**, Founder and President of MRT Laboratories, LLC will be presenting "*Used Lube Oil Analysis and Analytical Ferrography*". Please reserve the date!

#### **Abstract:**

A used lube oil analysis program is an effective preventive/predictive maintenance tool for machinery reliability. The effectiveness, however, is greatly enhanced when coupled with a microscopic wear particle analysis (analytical ferrography) program. Identification of wear severity, wear modes, and specific contaminants can often pin point resolvable issues before they become catastrophic failures.

#### **Speaker:**

Paul Goldman is Founder and President of MRT Laboratories, LLC. Paul has 38 years of experience in industrial laboratories, the last 28 of which were dedicated to used lube oil analysis.

Paul has also served as a past Chairman of the Houston Section STLE.

**Location :** [Brady's Landing Restaurant](#), 8505 Cypress Street, Houston, Texas 77012

#### **Schedule:**

11:00AM - 11:30AM: Arrival / Social

11:30AM - 12:00PM: Full Buffet Lunch

12:00PM - 1:00PM: Business Meeting and Technical Presentation

**Fees:**

Students \$10, Members \$30, Non-Members \$35

Cash/check only accepted at the door – or **pre-pay** by credit card until the Monday prior to the meeting using the Paypal link on our [Calendar webpage](#)

The STLE Houston Section's Monthly meeting provides a platform to network, advance your knowledge, learn current trends in tribology, lubrication and related industries, share good food, and much more. Do not forget, there will be door prizes for the lucky winners of the day. Come early and network with your lubricant colleagues.

Click here for directions.
