

## November 14, 2014 STLE Lunch Seminar

### Welcome to STLE Houston Chapter's 2014-2015 Lunch Seminar Series!

Our third technical seminar of the season will be held on **FRIDAY**, November 14, 2014, starting at 11 AM at Brady's Landing. **Marianne Duncanson** of ExxonMobil, will be presenting on protection of equipment in storage. Please reserve the date!

#### **Abstract:**

Spare equipment is often stored because it is critical, unique, or the manufacturer requires a long lead time for replacement. Marianne's presentation will provide tips and tricks to store equipment so that is readily available when needed. This presentation is a must for anyone looking for expert knowledge on how to properly store equipment.

#### **Speaker:**

Marianne Duncanson has over 35 years' experience as a lubrication engineer for ExxonMobil. She spent more than 10 years on the lubricants technical hotline answering application questions from around the world. She currently supports the Southeast Texas area as a Senior Lubrication Engineer. She has conducted presentations on Foam and Air Entrainment in Lubricating Oils, Oil/Water Demulsibility, Establishing an Electric Motor Greasing Program, Lubricating Oil Analysis and Lubrication Best Practices, and has served on expert panels at Vibration Institute and other industry groups. She was an original member of the STLE OMA committee, and was on the editorial board of the STLE magazine Tribology and Lubrication Technology. In her spare time she serves as a paramedic for Friendswood Volunteer Fire Department.

**Location :** [Brady's Landing Restaurant](#), 8505 Cypress Street, Houston, Texas 77012
